Prefatory Notes:

If a criterion is marked with [MANDATORY] it must be addressed in the self assessment. Any MANDATORY criteria that are not fully completed will cause the candidate to FAIL the entire site review.

Please refer to EHNAC's [Glossary of Terms](#) for definitions of any unfamiliar terms referenced throughout this document. The Glossary of Terms is located at the EHNAC web site, www.ehnac.org.

Site Review Note: EHNAC realizes that some of the supporting documentation might not be able to be included in the Self assessment for many reasons. If you deem this to be the case, clearly indicate what your supporting documentation is, why you are not including it in your self assessment and how you will demonstrate it during the on-site review with the site reviewer. Please note that your organization may need to compensate EHNAC for an additional site visit, if the time required to review the documents exceeds one day.
