

Cost Calculation

To compute your estimated fees, please refer to the table below:

	Size	Revenue Amount	Annual Fee	Site Visit Fee/ Site/ Day	HNAP-70 SV Fee/ Site/ 1.5 day	Addl Program/ Accreditation
1	Very Small	Under \$3M	\$2,500	\$3,500	\$4,500	\$1,250
2	Small	Greater Than \$3 Less Than \$8M	\$3,000	\$3,500	\$4,500	\$1,500
3	Medium	Greater Than \$8 Less Than \$20M	\$6,000	\$6,000	\$7,500	\$3,000
4	Med/Large	Greater Than \$20 Less Than \$50M	\$10,000	\$6,000	\$7,500	\$5,000
5	Large	Greater Than \$50M Less Than \$75M	\$15,000	\$6,000	\$7,500	\$7,500
6	Very Large	Greater Than \$75M	\$20,000	\$6,000	\$7,500	\$10,000

1. Enter the Annual Fee amount from the table above based on your company's annual revenue: \$ _____

2. Enter the Site Visit Fee/Site/Day rate from the table based on your company's annual revenue: \$ _____

3. Enter the number of sites that will need to be reviewed using the logic shown below:

A. Enter 1 for your main processing site, unless you are applying for HNAP-70 in which case you must enter 1.5: _____

B. Enter the number of additional sites the will need to be reviewed based on the [EHNAC Essential Functions Policy](#) which includes any and all sites where healthcare transactions are processed (such as co-locations and outsourced processing centers), and any place where individuals have access to Protected Healthcare Information (such as Customer Support centers, application test facilities, etc.). NOTE: If multiple sites can be reviewed on the same day, count those sites as 1 (this must be approved by EHNAC): Total additional sites: _____

C. Add A plus B: _____

4. If you are applying for an additional program, enter the Additional Program Accreditation Fee from the table based on your company's annual revenue: \$ _____

5. **TOTAL ANNUAL FEE:** Calculate your total annual fee by adding #1 and #4: \$ _____

6. **TOTAL ACCREDITATION/REACCREDITATION FEE:** Enter the fee you will need to pay for your first accreditation review and then for each reaccreditation thereafter (which occur every other year) by multiplying #2 by #3.C.: \$ _____

Important notes: The calculations above do not include the following additional fees:

1. The one-time application fee;
2. Travel expenses incurred when conducting the site reviews;
3. Late Fees.
