

# Voices of Accreditation...

In the past 25 years, EHNAC has become the recognized standard in healthcare's exchange of trusted data. And what the industry thinks of EHNAC accreditation programs and the value they provide means a great deal to us.

A 2021 poll of EHNAC accredited organizations found that...

**73%**

believe EHNAC accreditation provides a competitive advantage.

**89%**

believe EHNAC accreditation provides a foundation for updated, reusable policy and procedures.

**82%**

believe EHNAC accreditation assists with HIPAA and HITECH compliance efforts.

**84%**

believe EHNAC accreditation heightens awareness of industry best practices regarding healthcare transactions.

**84%**

believe EHNAC accreditation facilitates business discipline, organization, and planning via the criteria-driven self-evaluation process.

**87%**

believe EHNAC accreditation assists in the identification of security and business risk exposures and provides mitigating recommendations.

**94%**

believe that EHNAC supplies the tools necessary to provide information about their EHNAC accreditation status.

We'd love to hear your thoughts as well!

## Trust Is Everything in Healthcare

When privacy, security and confidentiality of healthcare data is on the line, a trusted name is a game-changer in today's marketplace. EHNAC accreditation has been trusted and respected in the industry for more than 25 years.
